## Minimum Advertised Pricing (MAP) Policy Agreement

This policy is made to protect the integrity of the Aqua View Inc. product line and our network or retailers. The Aqua View Inc. MAP applies to, but is not limited to, advertising in catalogs, direct mail, websites, in-store displays and any and all other forms of advertising media, including the internet and any other electronic medium available.

Your minimum advertised price must be equal to or greater than Aqua View Inc Manufacture Suggested Retail Price on every product as listed on our web site ([www.showermiser.com](http://www.showermiser.com)). Any discounting that results in a net advertised price of any Aqua View Inc. item through rebates, coupons, percentage discounts or any other manner will be considered noncompliant to the MAP policy.

In an event that Aqua View Inc. receives information that a party is advertising an Aqua View Inc. product below MAP, Aqua View Inc. will contact the party in noncompliance. Once Aqua View Inc. has contacted the party, the pricing must be corrected within three business days. If the advertised pricing has not been corrected in three days, Aqua View Inc. ceases to supply the party and/or its distributor.
